Thank you for making our wedding the best night of our lives! If I had it to do all over again, I can honestly say that I wouldn't change a thing. The staff at the Farmer's Market goes above and beyond to make sure that this is truly YOUR day, and that your expectations are not only met, but exceeded. They help you to customize everything from the floor plan to the wedding vendors of your choice. They were never pushy or controlling, but accommodating. We chose to hire Heather for her "day of services" and I am SO glad that we did. Without her, I don't think anything would have gone as smoothly as it did. She really went above and beyond in helping us get everything ready in time. She even made the boutonnieres and helped me get safety pinned into my dress when the snap on the back broke! During the reception she coordinated with our announcer and DJ to make sure everything happened when it was supposed to... she even found me to tell me that my grandfather cut a piece of our wedding cake BEFORE we cut the cake lol. She was amazing! The Farmer's Market is an affordable, beautiful place to get married with so much character and charm. The bartenders are amazing, the security people are helpful and Heather is a life saver. –Bride
